**SUMMER READING CHALLENGE** - The Summer Reading Challenge is about reading for the pleasure of reading. It takes place over the summer holidays in libraries throughout England, Scotland and Wales. Developed by charity The Reading Agency, along with the UK public library network, it is now in its 20th year and is the UK's biggest annual reading promotion for primary aged children. For 2018 the theme is Mischief Makers, celebrating the 80th anniversary of the much-loved comic Beano. Mischief Makers will celebrate adventure, friendship, reading and fun and is a must for all children who want to live in the moment and be themselves. How it works: The Summer Reading Challenge encourages children and families into their local libraries and inspires them to read for pleasure by combining free access to books with fun social activities and a creative online element. Throughout the Summer Reading Challenge, library staff and teenage and adult volunteers support children, helping them to discover new authors and explore a wide range of different types of books. Children sign up at their local library from Saturday 14 July. They receive a Mischief Makers collector poster to get them started, they borrow and read at least SIX books during the summer, collecting special stickers and incentives along the way. They can read any library book they choose - story

books, fact books, joke books, audio books - they all count and they receive a certificate and/or medal when they finish.

**Y2 - Y6** We are about to set up 'Toot Toot', an on-line anti-bullying initiative promoted and funded by the Department for Education. Whilst incidents of bullying in Germoe are few and far between and resolved quickly when incidents do occur, ensuring children have a voice and the confidence to use it, is very important as a life-skill. The resources also guide and support children regarding cyberbullying, which they may well encounter as they grow up. We are keen to promote our children's well-being, confidence and self-help strategies with regard to safeguarding issues and we felt this project well worth taking part in. The DfE are assessing the impact of the initiative and students, staff and parents are asked to complete a short on-line survey. We would be very grateful if you are able to take five minutes to do it:
