The aim is to promote the school and give some essential information about us and what we do. We have also created a closed group called **Germoe School and FROGS**. This is a group where only the members can see what it is posted, or post something on it. With this page we would like to improve communication amongst parents, sharing information about school events, trips, etc. and give FROGS the opportunity to give out all the relevant information about their amazing work and activities.
