10th March 2023

## INFORMATION

Dear parents and carers,

We've had another busy week in school with lots of amazing learning taking place. I enjoyed teaching reception, year 1 and year 2 whilst we were supporting the teacher strikes on Wednesday and Thursday. We were looking for signs of Spring down in the village, with the added bonus of looking for the troll under the bridge and the giant down the well! We learnt how to make observational drawings of daffodils, mix colours and make some beautiful paintings. I enjoyed listening to the talents of the class too, particularly Anoushka's rendition of "Jolene," Buster's "The Weather man" shanty and Agnes' "Belle of Belfast City." What a talented bunch we have! I hope your week has been just as pleasurable.

Have a lovely weekend Paula Blackburn

## Godrevy Class update

This week we have been learning how to measure the volume of 3d shapes.

To measure the volume of a 3D shape you first times the width by the height and the answer you get you must times it by the depth.

We also learnt how to do a running stitch ready for our tropical cushion. We had to choose the animal for our cushion, I chose a scorpion.

Finally, Mr Segal came in to tell us more about his job. He told us about what it was like. He said he never knew what he was going to do for the day and he is BBC Reporter.

### School Closures in Emergency – Agreed Notification Procedure

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is:

- We will inform Cornwall Council so they can update their website
- We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.
