**Y2 - Y6** We are about to set up 'Toot Toot', an on-line anti-bullying initiative promoted and funded by the Department for Education. Whilst incidents of bullying in Germoe are few and far between and resolved quickly when incidents do occur, ensuring children have a voice and the confidence to use it, is very important as a life-skill. The resources also guide and support children regarding cyberbullying, which they may well encounter as they grow up. We are keen to promote our children's well-being, confidence and self-help strategies with regard to safeguarding issues and we felt this project well worth taking part in. The DfE are assessing the impact of the initiative and students, staff and parents are asked to complete a short on-line survey. We would be very grateful if you are able to take five minutes to do it:
