

Germoe School Newsletter

30th September 2022

INFORMATION

Good afternoon everyone,
This week I have compiled a parent information folder which you will find below. I know some parents mentioned that information was sometimes difficult to find so this should make it easier. The majority of useful information such as term dates, menus etc can be found on the website in just 2 clicks so please have a go. If you still have difficulties then please let me know or if there is something else you would like to see on the website just contact me.

I had a productive meeting at the school in Antwerp earlier in the week. We were joined by headteachers from around Europe and the Belgian National Agency and we managed to complete the draft report for the completed project, "Back to the Future." The report will be uploaded onto the Erasmus platform when it is submitted on 31st October so I will send a link then.

Have a lovely weekend

Paula Blackburn

Tuesday - Whole school - Choir - Mrs Basher
Thursday - KS2 Football club - Mr Height

CLASS UPDATE

In Godrevy Class this week we have been learning about poetry- specifically haikus, tankas and renga poetry.

Here are our poems:

Animals Hibernating
The days are colder
Storms are blowing wildly
Lazy hedgehogs nap.

Leaves
Very colourful
Leaves are falling everywhere
Orange, red, yellow.

We loved writing the rengas because we clapped the syllables and worked with our friends.

By Isabelle and Daniel

Charging and remissions

We are presently reviewing our Charging and Remissions policy due to the rises in costs. Although the cost of swimming has risen, along with transport, we have decided to subsidise the rise from our Sport Premium so the cost will remain the same.

Books which are lost or damaged beyond repair will be charged at £5 per book. Please treat our books with care, they are usually part of a reading scheme and cost over £70 for us to replace the scheme.
