

# Germoe School Newsletter

21st October 2022

## INFORMATION

Dear parents

I can't believe it's half term break already! This half term seems to have gone so fast with lots of amazing learning taking place, some fantastic fundraising and lots of parental engagement. I'd like to take this opportunity to thank you for your continued support.

Although our attendance has slightly improved, we are still seeing some persistent lateness. All Cornwall schools have been assigned an Attendance Officer as a strategy to improve attendance and punctuality across the county. Our attendance officer will want to discuss the data for both attendance and punctuality this half term and may want to delve deeper into any patterns or persistent absence/lateness with me. Her role is a supportive one in the first instance and help can be offered if there are genuine reasons for poor punctuality and/or attendance. Please remember the start time for early years and key stage one is 0900 and for key stage two it is 0845. It has such a negative impact on your child's learning and their emotional well being when they are late for class.

We have booked the venues and dates for the school Christmas plays and they are as follows:

KS1 - Monday 12th December - afternoon at school

KS2 - Tuesday 13th December - afternoon and evening at Rosudgeon Village Hall

Don't forget, the next parent governor meeting is on Tuesday 8th November at 2.00pm. We will be discussing school improvement priorities, rewards and anything else you'd like to talk about. I hope to see you there.

Have a lovely half term break.

Paula Blackburn

## REMINDERS

We return to school on  
Monday 31st October

Thursday – KS2 Football club – Mr Height – FULL

## CLASS UPDATE

This week in Godrevy Class we have been creating Anglo-Saxon houses with planks or wattle and daub. Our class has been like a workshop and has been very messy. We have also had Simon come into our class to talk about a interview with Tim Peak and talk about graphic design. In English we have been doing stories about a mystery crime. In science we have been learning about gears, pulleys and levers a couple of days later we made a pulley. It has been a really fun and busy week.

By Kyan

Thank you !

Thank you for all who have volunteered to read, brought in plants and rugs and met other needs for our classes.

We appreciate all your help!
